### **American Auto Guardian, Inc. (“AAGI”) Introduces AutoGuard® Plus**

**Schaumburg, IL**—American Auto Guardian, Inc. (“AAGI”) has announced the release of AutoGuard® Plus, designed to set a new standard in exclusionary vehicle service contracts! "AG+ streamlines the process on every level, from F&I to claims," Tim Brugh, President of AAGI, stated. "It's going to change how we view exclusionary VSC coverage in the industry."

AG+ was 100% designed with the consumer in mind. Its simplified, system-based coverage is different than any other VSC available. Plans cover all parts inside or directly attached to a covered system (with inclusions like traditional batteries). AAGI dealers will enjoy using OEM parts on *all* AG+ repairs at their dealerships, and enhanced rental, towing, and roadside assistance benefits mean increased consumer confidence and satisfaction. To date, AG+ is the most comprehensive vehicle coverage on the market.
